

ARTICLE DE DIFUSSIÓ A LA REVISTA "ENTRE MAYORES": Profiguración y Política

Dr. Fidel Molina-Luque, Director and member of the Cátedra ASISA, publishes an article in the magazine "EM. Entre Mayores", a periodical specializing in the elderly, professionals and companies in the sector.

In it, we can see how there is a need for a new intergenerational social contract. Contextualizing Profiguration and how Profigurative socialization advocates multigenerational families.

"Envejecemos desde que nacemos: es un proceso humano y social, a lo largo de la vida.

The screenshot shows the front page of the EM Entre Mayores magazine website. At the top right is a button labeled 'Descargar imatge'. Below it is a large red 'EM' logo with 'entre mayores' written underneath. The main headline reads 'La evolución necesaria del sistema de cuidados'. To the left of the article is a photograph of two men, one younger and one older, standing side-by-side. To the right is a portrait of a woman. The page includes several other smaller articles and images related to aging and care.

"El envejecimiento puede valorarse como fracaso o éxito de la sostenibilidad humana, como continuo intergeneracional"
